The Editor's Award

The 2011 Editor's Award recipient is Andrew C. Kellie of Murray State University for his paper entitled Hard Copy to Digital Transfer: 3D Models that Match 2D Maps. His paper was published in volume 75, number 1 of the Journal and can be found at:
<http://www.edgj.org/index.php/EDGJ/article/viewFile/231/191>

The Editor's Award was established to recognize the outstanding paper published in the previous volume of the Engineering Design Graphics Journal. The recognition includes a framed citation and a cash award and is presented during the following Annual Conference.

The award description can be found at <http://edgd.asee.org/awards/editors/index.htm>
